ENABLING OUR MISSION CAMPAIGN UPDATE: Thank you so much for your generosity! Last weekend was a great success for the **Enabling Our Mission** campaign in our parish. I'm delighted to tell you that based on the cards filled out by parishioners at Mass, our parish stands to raise an additional **£12,000!** To allow us to draw a line under the campaign we need to make sure that all pledges have been recorded properly. If you completed a small card at Mass recently, you will receive a pledge form for completion in the post or via email in the coming days. I ask that you return the form at your earliest convenience to either the parish office, to me after Mass or directly through the post. While you may not wish to start your pledge immediately I do ask that you return your form, indicating a start date and method of payment that is convenient to you. Our hope is that parishioners will consider what they can as every pledge counts and all gifts will bring us closer to our shared goal.

I know there are some families out there who are still considering their pledge and I would be delighted to receive your support. While we are guaranteed to receive 40% of our initial target of £135,000, our parish will receive 50% of everything raised over this and so we have much to benefit from. We hope to receive the majority of pledges within the next two weeks so that we can see exactly how much has been raised. I will give you a further update in a few weeks' time. Thank you for your support and please pray for the continued success of the **Enabling Our Mission** campaign in our parish. <https://www.dioceseofnottingham.uk/mission-enabling-fund>
